A class advisor is a special kind of person, understanding, cooperative and patient. Being willing to listen and possessing a sense of humor are other necessary qualities. Ms. Lostimolo possesses all of these qualities and then some. So, Ms. Lostimolo, we dedicate this yearbook to you to thank you for your dedication of time and effort in guiding the Class of '92 through the sunshine and the rain.

Thank you,  
The Class of '92

It's So Hard To Say Goodbye To Yesterday Boys II Men

# SPIRIT WEEK

To the class of 1992, although everything has not always worked out as planned, it is always a memorable time. I hope you enjoy and appreciate the yearbook, we have worked long and hard. Thanks to Mr. Luca and Mrs. Clay, Kristen, John, and Michele we did it! A nice piece of work we can be proud of.

See ya around!

Antoinette Moretti, Co-Editor

Twelve years have passed and I don't know where they've gone. We still have the memories. I have enjoyed it but I'm glad it's almost over.

We have faced many challenges and there are more to come.

It's been fun putting together this yearbook. It has also been full of hard work. I would like to thank Antoinette, Kristen and Michele for putting up with me. Thank you Mrs. Clay and Mr. Luca for all of your help.

I wish the Class of '92 the best of luck in the future. Dream another dream — this dream is over.

John Corrado, Co-Editor

**YEARBOOK STAFF**

Well guys, the yearbook is finally done and so is the year. We worked long and hard in shaping this yearbook for the class of '92 and it wasn't easy. It took hours of hard work. Thank you John, Antoinette, Kristen, Mrs. Clay and Mr. Luca for all your help and patience.

Class of 1992, goodbye and reach for our dreams.

Michele Phillips  
Co-Editor

A lot more time and responsibility goes into being a co-editor than I originally thought. Although it was hard work I enjoyed being a part of it. I hope you are pleased with the outcome and smile at the memories. I'd like to thank Mr. Luca and Mrs. Clay for all their help and encouragement. John, Antoinette, and Michele it was great working with you. Class of '92 Good Luck in the future.

Kristen Kyle  
Co-editor

And I'll take with me the memories,  
to be my sunshine after the rain.  
It's so hard to say goodbye to yesterday.

PRESIDENT

It's So Hard To Say Goodbye to Yesterday  
 How do I say goodbye to what we had?  
 The good times that made us laugh are waving back.  
 I thought we'd get to see forever, but forever's gone away.  
 It's so hard to say goodbye to yesterday.  
 I don't know where the road is going to lead.  
 All I know is where we've been and what we've been through.  
 If we get to see tomorrow, I hope it's worth all the wait.  
 It's so hard to say goodbye to yesterday.  
 And I'll take with me the memories.  
 to be my sunshine after the rain.  
 It's so hard to say goodbye to yesterday.  
 And I'll take with me the memories.  
 to be my sunshine after the rain.  
 It's so hard to say goodbye to yesterday.
